My dear Woodman

about your intention to get married as
soon as ~~the~~ the war is over and you
see the right woman to love and give
your name to I most surely approve.
I do hope your selection will be as happy
a one as your dear mother and myself.
Marry some one in your strata of society
if at all possible and higher if you can

and with an independent income if you
have ~~love~~ regard esteem and love with
it. My greatest joy has been to see your
dear mother's traits in some way or another
reproduced in my children. Marriage such
as ~~ours~~ ours is the ideal life and I hope
dear Wood you will bring this about
in union with some one whom we
can all take into our hearts and love.
You deserve the best woman you can find
as you have been a dutiful son to us.
God grant you may come home to her
and us in fullness of time.

Your loving father

J. E. Leonard
