more busy getting settled at
Oakwood. Aunt Lizzy had
things in such good shape
and no wonder for it is
only what one expects from
her, she is so energetic in
all she undertakes. I, too,
had a letter from Alice
last week or more correctly
a note for she did not
say much, though she
enclosed three bulky
envelopes for me to forward
to various young ladies. I
will write her as you
suggest next Sunday, the
last of the month and
we can then try to.

My dear Mr

Many thanks for yours
of last Sunday which reached
me on Tuesday morning. I
mailed the letter to Duke
the same morning. His address
is as follows:-

% Gindlay Groom & Co

Bombay

India.

As you will see from Mother's
letter which I forwarded to
you yesterday, she is once

continue alternately for it
is only fair that she should
hear from us more than
occasionally. No the Minto
bunches are not anything
special to look at but they
all endeavor to adopt
Canadian sports and things
and have made themselves
very popular here on that
account. I have not yet
heard the results of the
McMill Queens and P M C
Queens matches, the papers
here are so damned local
that they do not put
the results on their
bulletin boards. The

Rough Rider - Ottawa College
game here was a disappointment
the Dogans winning 10-7.
They had it all their own
way in the first half chiefly
on account of the fumbling
of the Rider back division
which has greatly improved
since the commencement of
the season but would
still be a disgrace to
almost any junior team.
They braced up in the
second half and should
have beaten the College
but missed numberless
chances and finally lost.

the credit of the men I
think that it was so.
I am enclosing two plunks
and a bill of Goods, which
I wish you would pay
if it is not too much
trouble. I wish you would
invest the remainder in
Simpsons mixture or some
other tobacco that you
find good and get it
sent to me. Provided of
course that I dont owe
you that amount. Sorry
to trouble but it wont
happen very often. By the
way, when are you going

MILITIA AND DEFENCE,
CANADA.

I went to a large dance, the
first of the season, on
Thursday given by the
Berkeley Powells on the debut
of their daughter Marjorie. I
had a very good time and
it was quite an eye opener
to see the way the golden
water was flowing. No
shut at all and just
help yourself to say nothing
of the other light refreshments.
I dont mean to say by this
that there were many drunks
for there were not and
it is much to

to come up to Ottawa over
Sunday. I am, very comfortable
here with a double bed and
am beginning, am thankful
to say, to move about a bit.
I hope to get Oae in the
same house and perhaps
you could run up some
time next month. Best
love to all the Aunts
Uncles and Cousins and
remember me to any of
the fellows you all

your loving brother
Edwin W. Leonard.

P.S. Before I forget it
Cox wants to get a
pair of W.M.C.

cup of links. Will you order
them. He will settle
with me and I with you.
