

26. 10. 16

HEADQUARTERS,
SOUTHERN COMMAND,
BARRON HOUSE,
SALISBURY

Dear Major Jordan Hall

I am sorry that heavy
pressure of work has delayed my replying to
your note of 22nd - about the enclosed papers.

The notes, I see, refer to one of three
things: —

- (i) a Commission in the 1st Canadian
Contingent
- (ii) a Commission in the 2nd Canadian
Contingent
- (iii) a Commission in a British Army
Regt.

Has he had no chance of either (i) or (ii),
and if not, why not?
If you can let me hear

information on that point, and will
return the papers, I will do if I can do
anything.

How you know the case is your G. O. C.?

V. Long yes.

P. R. Nathan.
