Dear General,

I take the liberty of enclosing two letters which explain themselves and hope you will advise me as to the best course for the writer to adopt.

I knew Major Leonard in Canada while I held the appointment of General Staff Officer of the 1st Division, Canadian Militia, and can strongly recommend him for employment as a cavalry officer.

I am now on the General Staff of the Canadian Contingent.

Yours sincerely,

G. W. Gordon Hall (H. C. 4. S.)
