HOTEL CECIL.

STRAND.

LONDON, W.C.

Dearest Mother-

John arrived
here about 6.30 on
Saturday looking
exceedingly well
& is very bright.
I had a little
cold this a.m.
& as it is raining
will not venture

you a note himself -
but he was obliged 11. night
miss his mail & you
would be worried. Yesterday
day he spent in Cayne.
I wish him to be seaward
& to see two of my
friends here. We have
gone to the theatre several
times. I am wishing he
would stay far too short
a week.

I am sailing as I wish, I
write you the 25th - P.S. Will
you be - arriving May 8th will
like you to arrive in N. York.

I don't want to
go - but suppose I
must. I of us
about two weeks
with notes will
come to Inelas
in a few days.
I can't stay long
in the U.S. & hope
to return in about
six weeks - as I say
I hope to be making the

my eye at all.
but shall I
keep notes - I
have been so unselfish
of you all at
Oakhurst - but I
am trying to
be near home
as ever here.

Love to all

Sarah
