

From the holdings of
Western Archives, Western University

The enclosed dear Lth is a
very souvenir of dear Aunt Rachel
which perhaps you would like
very much. You, the little book
Miss Abbotson.
And Jack gave me when in
Mantel & you should have had it
before leaving. The scarf I made
since coming down here, if
there be no use in it please

it always is someone in need.
This old place ~~more~~ interesting
than ever, particularly etc
but it is largely made me
realize what was meant
then at that time, love to
dear Lillie, he tries to but
my most in material, most
to make exactly as well as more
mistakes living, mistakes, effects us
and 4 more.
