Also another car of shells containing 986.  
Paid \$3415.20 to 193 men including \$1116.00 piece work.
- April 21/17. Received settlements from the Breithaupt Leather Co.. \$107.00., being for lower half of front. Also received from I.M.B. another cheque for \$8205.12 and a few minor accounts settled about \$40.00.

The past two weeks we have had Mr.Wheaton on the road, he sold a 14 x 15 S.H. Tangye in Walton for \$500. this we purchased from Mr.Balcom of Aylmer \$225.00, we will have to spend about \$50.00 on repairs and \$25.00 for teaming and freight, he also sold a No.8 Efficiency Boiler that has been at Regina since 1913 for \$700.00, taking in exchange a 60 x 16 Boiler for which we are allowing \$200.00. This boiler is on our books charged to the Regina Plumbing Company at \$326.00, so that we will get sufficient to cover the return freight and a fair margin besides.

We might say prices of plates and tubes are still advancing, 4" tubes costing to-day in Chicago 60¢ a foot plus freight and duty
