My Dear Ibb,-

I am enclosing the following -

- 1st. Convocation card A.S.M. Engineers (Paid your subscription of \$15.00.)
- 2nd. Comparative costs of some boilers we have recently made which does not show up so badly.
- 3rd. Copy of Employees subscription to Victory Loan which is most satisfactory, shows \$190. per capita which I do not think can be equaled in Canada.
- 4th. Clipping of large Toronto Victory Loan subscribers.

Your former letter said Woodman was buried near one of your troopers and your diary said he was buried in an officers cemetery, which is correct.

Your three walking sticks arrived to-day by post all in excellent order, thanks to Mr. Lacefield. I will write him.
