I numerated in my private letter. Wm. Inglis phoned he would give us every help.

Canada Forge Company quote us on plain round shaft for engine 17½¢ and 30 to 40¢ per lb. for connecting rods. We will have to pay from \$55. to \$60. per ton for pig iron, but have considerable scrap on hand which should pass inspection. Tin, antimony and other metals are at an outrageous price.

Shipped a boiler to Glenworth to the new Milk Company.

Wheaton sold fifth Tractor to-day.
