

A unique way for parents, friends and family members to honour and celebrate their new Western graduate!

Looking for a special way to say...
“Congrats, you did it.”?

Say it in a unique and lasting way!

Say it with a digital bookplate!

Digital bookplates are stylized digital crests linked to print and electronic book titles within Western Libraries’ online catalogue.

How do digital bookplates work?

You simply make a gift of \$150 or more to one of Western Libraries’ four priority projects, in honour of your graduate.

Your donation will be recognized through an attractive digital crest, which displays your tribute message to your loved one.

New Graduate Digital Bookplate Recognition Program

Why honour your graduate with a digital bookplate?

He or she...

- enjoyed group and individual study in one of our library sites
- received expert research guidance from our dedicated library and archives staff
- accessed our online resources – any time, anywhere – 24/7
- made friends and lasting memories at the library

What do digital bookplates help to support?

Your dedicated digital bookplate will help to refine and enhance Western Libraries’ collections, resources, services, and study space for future generations of students, scholars and members of our community.
