

Citing Sources – According to Chicago Style

Use this guide to organize your Bibliography and the Notes at the end of your essay, or your Reference List and Parenthetical Notes if you use the author/date method of citing sources. The guide is based on the fifteenth edition of *The Chicago Manual of Style* [DBW reference Z 253.C572 2003 (non-circulating)]; please consult the manual to cite materials not included below (e.g.: videos, lectures, speeches, emails, etc.). See also *The Chicago Manual of Style Online* <<http://www.chicagomanualofstyle.org/contents.html>> and *Electronic Styles: A Handbook for Citing Electronic Information* [DBW reference PN 171.F56L5 1996] for further information.
