Special Collections (inculding regional collect	94,971
Theses & Dissertations (6) (not incl. above)	33,293

Notes

(1a) Separated out Pride Library from Weldon Library collection

(1b) Significant reduction in numbers due to a technical material type clean up correction where scores preiviously marked as books were corrected.

(2a) Outdated records have been removed as part of the post-migration database clean-up. Also some print orders have been moved to electronic serials.

(2b) Does not include titles cancelled after review, evaluation, and consultation. Some titles have been transferred from print to electronic format and are captured in the "Online Serials" total

(2c) Some Print serial subscriptions were reinstated after review

(3) Large increase in streaming video from previous year due to streaming video package change

(4) Does not include multiple individual maps included as part of a single map set with one record

(5) This is not to be confused with Online Serials subscriptions this count is Online Serial Titles we do not report Serial online subscriptions due to inaccuracy

(6) Electronic Thesis and Dissertation repository migrated to new platform

*Storage locations:

ARCC - Archives and Research Collections Centre

HDM - High Density Module

RDL - Research Depository Library
