Dr. Frank J. Hayden, O.C., Ph.D, LL.D

Personal & Special Olympics Collections Library Archives 1950 - 2017

Personal Film Footage A/V Materials 1967- 1988

VOLUMES: 1 to 3 - 1967 - 1988

December 31, 2017

Volumes 1, 2 and 3 consists of important historical Special Olympic audio-visual archive film footage, cassettes and tapes. The audio-visual materials have not been digitized.

Background:

Dr. Frank Hayden, sports scientist, was the impetus behind the conception, creation, development and management of Special Olympics. His prolific writing and passion to change public perception of people with an intellectual disabilities has created a societal nurturing environment. Dr. Hayden developed the unique "divisioning" process in which male and female athletes with intellectual disabilities can experience the joy of exercise and sport and reap the benefits of a healthy, productive and valued lifestyle.
