

In order to improve access to more of the existing holdings of Western Archives copies of a number of preliminary finding aids are being made available. These preliminary finding aids, some of which were prepared many years ago, vary in degrees of completeness, detail and accuracy. Some provide only basic box listings of the contents of a fonds or a collection, while others provide additional background material. All are intended to be the starting point for access to the records and they should not be considered a definitive source of information on the full nature and contents of the fonds or collection. Questions about the information provided in the preliminary finding aids should be directed to archives.services@uwo.ca

Knox United Church Records

Dates: 1883-1972

Knox Presbyterian Church was founded on September 11, 1883. The church became Knox United Church after a vote by the congregation to join the newly created United Church of Canada in 1925. In 1972, Knox United amalgamated with Wesley United to form the Wesley-Knox United Church. After amalgamation, Knox church buildings were sold and the congregation moved to the former Wesley United Church at 91 Askin st.
