

Citing Sources According to Chicago Style (16th ed.) Author-Date Method

Use this guide to organize your citations using the Chicago Style's Author-Date method. To organize your citations using Chicago Style's Author-Date method, please refer to the Author-Date guide.

It is based on the following publication, which is available through the library in both print and online formats:

[The Chicago Manual of Style 16th Edition](#)

**** Do not mix the elements in these two style methods that the Chicago Manual supports. Use one style method or the other. ****

Please consult the manual to cite materials not included below (e.g. videos, lectures, speeches, emails, etc.).
